

PULSE

Forming the
Next Pro-Life
Movement

June 24 - 29, 2019

Wichita, Kansas

Pro-Life Leadership Institute for Teens

PULSE pro-life camp is an informative way for youth to learn everything they need to be an advocate for life, all while enjoying fellowship and a variety of fun activities, too! Campers leave with all the tools needed to share the full pro-life message with peers, teachers, and everyone they meet. Campers will be prepared to lead the next generation of the pro-life movement.

PULSE camp is open to students who will be entering 8th to 12th grade. Lunch, materials, and a camp t-shirt are all included.

There is a 24 student maximum capacity so be sure to register in advance for the days you want to attend.

Cost is \$90 per camper for all 5 days or \$25 to attend only individual days. Campers may pay directly or recruit a sponsor to pay for the cost of camp. Campers may find one sponsor to enroll in KFL's Auto Bank Withdrawal or "Donate Your Change" program. Donations have to be a minimum of \$15 per month, with a pledge that they are going to keep donating for at least one year. Contact the Kansans for Life office at 800-928-5433 or kfl@kfl.org for full details.
