

Sponsor Form
Kansans for Life's PULSE Pro-Life Leadership Institute
June 23-29, 2019

The PULSE Pro-Life Leadership Institute is open to high school students from anywhere in Kansas. A maximum of 24 students will be accepted. The week-long training program will provide students with knowledge and skills that will help them become pro-life leaders on their high school and college campuses.

Students may attend this program at no cost to themselves, if they recruit three donors for KFL's automatic bank withdrawal or "Donate Your Change" electronic giving program.

Student Name: _____

Instructions for students: please have your three sponsors fill out the following information, then return this form to KFL. Sponsors who choose automatic bank withdrawal will receive a form in the mail from the KFL office. Sponsors who choose "Donate Your Change" should sign themselves up at kflinc.donateyourchange.com. Students, if you have a parent or grandparent who is already connected to one of these giving programs, you may count that person as one of your three sponsors, but you must recruit at least *two new donors* to complete your camp sponsorship.
