

Mother's Day

to

Father's Day

Baby Bottle Project!

An EASY way for your church to be pro-life!

YOU can help save lives here in Kansas with our Baby Bottle Project!

It's simple - give an empty baby bottle to every family leaving church on Mother's Day (we will supply the bottles). Ask the family to collect their spare change and bills in the bottle and return it to the church on Father's Day. Donate the money collected to Kansans for Life, and remember to pray for babies in Kansas!

What is accomplished?

1. It makes a real connection between Mother's Day and Father's Day.
2. It gives the pastor the opportunity to talk about what God had in mind when He created the family.
3. All of the donations go towards Kansans For Life's pro-life educational projects. (See back for details.)

Steps to accomplish this effort:

1. Call Kansans For Life at 1-800-928-5433 to participate. Let us know how many bulletin inserts and Baby Bottles you will need (one per family).
2. Include our Mother's Day bulletin insert on Mother's Day.
3. Make an announcement and pass out the Baby Bottles on Mother's Day, May 8. Encourage everyone to place change and bills in the Baby Bottle and PRAY for families. Each bottle has a sheet of beautiful prayers for the family for each week until Father's Day.

(Continued on back...)

4. Include the Father's Day bulletin insert *the weekend before* Father's Day, reminding people to bring their Baby Bottles back to church the following week.
5. Collect the Baby Bottles on Father's Day, June 19. Let everyone know they can still return a bottle the following week if they forgot to bring it.
6. Finally, count the donations. You can send one check for the amount raised to:
*Kansans For Life Educational Fund
 3301 W 13th St., Wichita, KS 67203*

Church members count donations from baby bottle collection.

What type of educational efforts at Kansans For Life will benefit from this project?

- A) **Pro-Life Radio commercials.** The radio is dark – no pictures. The womb is dark as well. We are going to try to give the child in the womb a personality, a loveable personality. Our commercials will be short and made with a child's voice. The child will talk to the audience and educate as well as entertain the listener. A CD of a few of these short commercials will be sent to your church so it can be played for everyone. Then you will hear the child in the womb come alive! At the end, the child will say, "Please say NO to abortion because abortion kills me."
- B) **Latinos For Life Tabloid.** We created an educational, bi-lingual tabloid. We'd like to print and mail 120,000 of these to the zip codes with the highest percentage of Hispanic populations. We pray that many churches around Kansas will distribute these in their local communities as well. Everyone should be pro-life and know where help is available.

Partnering with Kansans For Life through the Baby Bottle Project is an *EASY and FUN* way for your church to be Pro-Life!

Yes, we want to do the Baby Bottle Project!
