

# I'm a Kansan for Life!

**Christopher Gregg, Wichita, Kansas**

## How I became involved in the pro-life movement:

During the final days of my sophomore year, one of my teachers handed me a flyer with volunteer opportunities with Kansans For Life. One of the options was to assist with a seminar for young adults such as myself, and after seeing this I called the number and set up an appointment with David Gittrich. After my very first meeting with him, and discussing with me the task of developing a state wide convention for teens, I remember walking out the room thinking, "What in the world did I get myself into?" But after that day I have always been a part of Kansans For Life with the task of creating that successful convention, and eventually forming, "Teens For Life"

*Chris and his peers in his Catholic youth group bake cookies for Ronald McDonald House.*

## What I do for the pro-life movement:

I am the president of the newly formed Kansans For Life branch, Teens For Life. As president I work closely with David Gittrich, Kate Gruver, and the rest of the T4L committee to plan events, run fundraisers, and raise awareness among our already enthused peers under our slogan, "Our Generation Will End Abortion."

## My other activities, outside the pro-life movement:

I am currently a senior at Bishop Carroll Catholic High School, and I participate in the Band, God Squad, and the Liturgy Club there. I am a parishioner at St. Francis of Assisi Parish, and I am an active member of the CYM. I also work with a janitorial business on the side. In my free time I enjoy reading, going for nature walks, or just hanging out with my friends.
