

CONSTITUTIONAL AMENDMENT PETITION TO THE KANSAS HOUSE AND SENATE

The Kansas Supreme Court **created a nearly unlimited “right” to abortion in the 1859 Kansas Constitution and continued to allow the live dismemberment of preborn children in our state.** Kansans have lost the right to ban even the most horrific practices like partial-birth and taxpayer-funded abortions. ***Please sign our petition*** calling for the Kansans Legislature to reverse the ruling by amending the Kansas Constitution. If passed by the legislature, the amendment will go to voters for approval at a scheduled election.

We, the undersigned, urge our Kansas Representatives and Senators to vote for a constitutional amendment. An amendment would reverse the *Hodes v. Schmidt* decision and state that there is no “right” to unlimited abortion in the Kansas Constitution. Our tax dollars should not be used for abortion. The public, through our elected officials, must have a voice in these matters and our rights should be restored.
